SECRET

7. (Confidential - JGO) Met with Marian Czarnecki, Chief of Staff, House Foreign Affairs Committee, and told him that the Director and Chairman Morgan did talk briefly on Wednesday before the Chairman's departure. I told him the Director had indicated that he would advise the Chairman of any findings from our review of the Tad Szulc matter.

I left with Czarnecki for his review over the weekend a set of the affidavits that had been prepared concerning the handling of the transcript of the Director's 11 October briefing of the Committee.

8. (Confidential - JGO) Met briefly with Representative Jamie L. Whitten (D., Miss.) outside the Appropriations Committee staff room. He noted with a smile that the Committee had had no difficulty in markup of the Agency's budget.

9. (Unclassified - LLM) Ralph Malvik, OMB, called to advise that OMB had no objection to the submission of the amendment to the CIA Retirement Act pertaining to cost of living adjustments, which he referred to as the "anti-bunching up amendment".

10. (Unclassified - LLM) In the company of [redacted] OPPB, discussed with Jim Oliver, OMB, the proposed funding amendment to CIARDS which Oliver claimed would result in a public line item under the Secretary of Treasury's account for interest paid into the CIA Retirement Fund. After a general discussion of several possible alternatives and their implications, I said we would have to staff the problem out to the program managers involved and Mr. Colby before recommending an Agency position. 25X1
